Subject: Request for Permission to Distribute Book of Hope to Public Schools in Region X

Dear Dr. Bayocot,

Greetings in the name of our Lord and Jesus Christ!

We, the **Church Multiplication Coalition (CMC)**, along with the **Book of Hope Philippines**, are writing this letter to formally ask for your permission and support to give the Book of Hope to students in primary and secondary schools for the school year 2025–2026. The Book of Hope is a helpful tool for students that help them build character, resilience, and good values. It fits with the Department of Education's goal of raising well-rounded, morally upright people.

The Department of Education and Book of Hope Philippines have a Memorandum of Agreement (MOA) that allows these materials to be given out in schools all over the country. This project is being carried out according to that agreement. We will provide all the materials for **free**, and our team is ready to work with each Schools Division Office in Region X to make sure that all rules are followed. With your permission, we hope to reach as many students as possible in different cities and towns in the region.

We look forward to your favorable consideration of this request. Should you need further information, or should your office require a coordination meeting, we would be more than willing to provide the necessary details and support. You may contact us at 0926 238 2129. We are targeting our first area for distribution in **Bukidnon** from June 23 to July 9, 2025.

Thank you for your continued leadership and support for programs that uplift and transform the lives of our young learners.

With great respect and appreciation,

Pastor Nelson B. Bagongon
CMC Coordinator
