SUBJECT: REQUEST TO CONDUCT OPTICAL MISSION-EYE REFRACTION

I am writing to formally request permission to conduct an eye examination within the schools under the DepEd Region X, Northern Mindanao. As part of our commitment to promote Eye Health and Vision Care, we provide essential and quality eye care services for Teachers, learners and school staffs.

Eye-refraction is an eye exam that measures a person's vision for eyeglasses or contact lenses. Enables us to assess visual ability, detect refractive errors, and determine the appropriate corrective measures such as prescription glasses or contact lenses. By examining On site, we aim to facilitate access to essential eye care services for our community.

It is widely recognized that one of the primary challenges facing our community is the prevalence of low vision and various pathological conditions among both learners and educators.

Our team is qualified Optometrist, Optician and Sales will conduct the examination using basic equipment, ensuring accurate and relative results. The process will be conducted efficiently.

If you have questions or need further information, please don't hesitate to contact our area representative Mr. Vic Ignacio at contact No. 0997-472-4087.
