Dear DR. LIMBACO,

Greetings from PHLPost!!!

The ***"Nationwide Letter Writing Project "*** of PHLPost in collaboration with the Department of Education is now on its fifth year of implementation dubbed as **"SALAMAT PO TEACHER LETTER WRITING YEAR 5".**

The primary objectives are as follows:

11. To develop the value of gratitude among the Filipino Youth
12. To extend appreciation to Teachers for the important role they play in the lives of the students and in society
13. To develop the writing skills of the students
14. To foster love, friendship and strong family ties
15. To bring back the passion of letter writing despite the existence of modern means of communication such as the social media networks and presence of cellular phones.

In this connection, we would like ***to invite your students to participate in this Letter Writing Project which runs from September 2017-March, 2018.*** Elementary and High School students are encouraged to write "thank you" letters to their teachers as well as their parents, relatives, friends using Filipino, Mother Tongue or English language following the proper format of a letter. The school is also encouraged to conduct letter writing activities on the ***SCHOOL FOUNDATION DAY, FAMILY DAY, CHRISTMAS SEASON, VALENTINES DAY*** and during special school celebrations. The students will prepare ***P12.00 to pay for the stamps***. Every Salamat Po entry entitles a letter sender with one raffle coupon. If the letter is sent abroad, the published postage fee shall apply and the corresponding mailer gets two raffle coupons. The name of the student, name of the teacher who encouraged the student to write and the name of school shall be legibly written on the raffle coupon/ raffle entries which shall be drawn on scheduled raffle draws. For proper identification, all Letters shall be labelled with ***"SALAMAT PO YR 5".***

We would also like to be given a schedule (30 minutes) to conduct **'SULAT MULAT" (LETTER WRITING AWARENESS)** at schools where we can show short video clips and conduct actual letter writing of students. These letters shall then be processed and delivered to corresponding addressees.
