Subject: "TABANG PARA SA PAG BAROG SA BOL- ANON"

---

October 15, 2013 is a date to remember. An earthquake with an intensity of 7.2 similar to an explosion of 32 atomic bombs has shaken the islands of Bohol and Central Visayas and has devastated mostly historical churches, ancestral houses and displaced numerous families with already a death toll rising to 194.

Recognizing such catastrophic destruction and tragedy this earthquake has brought / caused our fellowmen, this office will again embarked on another " Operation Tabang" to help our countrymen especially in the Bohol region which were greatly affected and suffered. We have shown our generosity, kindness and sympathy during Typhoons Sendong and Pablo and we have proven that we do care for the victims. This time, we will be knocking again at your benevolent heart for donations to be sent directly to DepED, Bohol the soonest possible.

For your donations, please see the Division focal person, Dr. Maria Fe B. Sarita, Medical Officer III at the Medical-Dental Clinic for acknowledgement.

For your information and guidance.
