

## GRADUATION MESSAGE

My salute to the graduates of Class 2018 as well as the people behind their success- parents, teachers and school officials!

Time flies so fast, indeed. The biggest and boldest education reform in our country has finally reached its full term. We are proud to officially send off our first batch of Senior High School graduates!

*Dear graduates*, I congratulate you for a job well done!

However, your academic journey does not end here. This is only the beginning of an even greater journey. The decisions you will make from this day forward will determine what you will become in the future. Therefore, I challenge you to always rise above the occasion, strive to be better, have faith and never give up.

Congratulations as well to the parents, teachers and school officials! You have done a commendable job in molding and motivating our students to be the best person they can possibly be. You have made an enormous impact to the lives of our learners.

The Division of Misamis Oriental will remain steadfast in our commitment to quality education. In fact, we are even more motivated and committed to work harder to deliver the quality education- because our learners deserve nothing but the best.

Once again, I wish all our graduates the very best in your endeavors! Your future is in your hands - and no one else's. Seize this opportunity!

God bless, DepEdMisOr!
