Dear Madam,

Greetings of Peace!

The JBOGM Tutorial Review and Training Services Co., is dedicated at providing educators, of public and private schools, and day care workers with quality and relevant training programs that will contribute significantly to their personal development and teaching skills. Due to the roll-out of the enhanced Philippine basic education widely known as the "K to 12 program", and under the Universal Kindergarten law known as Republic Act 10157, kindergarten and primary teachers are in need of strategies to implement active learning in their respective classrooms to help the young learners under their care acquire early literacy and numeracy skills.

We invited, Mr. Marco Brazil known as the "**King of Games of Asia**" as the lead lecturer. Mr. Brazil will be coming to the Philippines all the way from Japan to lecture participants on the upcoming seminar/workshop.

In behalf of the company, I would like to seek approval and endorsement from your office of the said re-run. In an overview, this 3-day seminar-workshop aims to help **kindergarten, grades 1-3 teachers**, and **daycare workers** with interactive and active learning-teaching strategies to help young learners acquire the basic skills in phonics, beginning reading, writing, and early number skills with additional focus on classroom management and storytelling to effect learning among their young learners.

Registration fee of Php 3,200.00 will be charged per participant to cover speakers' honorarium and airfare, seminar kit, handouts, certificate, 2 lunches and 4 snacks. A discount of Php 300.00 will be given to early registrants. Deadline for early registration of Php 2,900.00 is on October 20, 2017. Onsite Registration on November 3, 2017 is Php 3,200.00. Accommodation is not included in the registration fee.

I hope that this project will merit your approval and endorsement to your kindergarten teachers and coordinators in your Division. I am looking forward to working with you in improving the lives of the people within your care through quality education.

Thank you

Respectfully yours,

JENNIFER P. ORTIZ-FLORES

Dear Madam,

The JBOGM Tutorial and Training Services is dedicated at providing educators, learners, and community leader's with quality and relevant training programs that will contribute significantly to their personal development and to equip themselves with the necessary skills in research in order to not just comply with the aforementioned manifestos but to improve the quality education in the school through research.

In behalf of the company, I would like to seek approval and endorsement from your office our seminar-workshop on "**The Basic of Research in Education: Pursuit Towards Providing Quality Education**" (see attached program). In an overview, this 3-day seminar-workshop aims to help teachers conduct **basic and simple classroom and school-wide research using qualitative and mixed methods design, tips for publishing, presenting research in International Journals/Conferences, & Consensual Qualitative Research.**

I hope that this request will merit your approval. We look forward to serving our teachers in the field by providing them with quality seminar-workshops that will help improve their skills under the DepEd K to 12 program.

Thank you.

Respectfully yours,
